

FireShield Economy Extinguisher Stand

Product Specification Sheet

FireShield

Key Features

- No fixings required
- High gloss finish
- Easy to maintain
- Suitable for portable extinguishers
- High impact plastic material
- Recessed base to secure a 2Kg Co2 fire extinguisher

Our FireShield Economy Fire Extinguisher Stand is designed for freestanding use, providing a practical solution for positioning fire extinguishers where wall mounting isn't suitable.

It accommodates a wide range of extinguisher types and sizes, including 3ltr/4kg to 9ltr/9kg units, as well as 2kg and 5kg CO2 extinguishers.

Ideal for offices, retail spaces, temporary buildings, and similar environments.

Single Economy FireShield Stand. Compact solution to securely hold one fire extinguisher. Choose between red/grey.

Double Economy FireShield Stand. Store two extinguishers side by side for quick emergency access. Choose between red/grey.
